### HR Management:

With the many processes surrounding human resources management, Pinnacle enables you and your staff to become more efficient, effective and focus on your organization's core competencies. Whether you're looking to reduce the manual workload or empower your managers and employees through HR services options, we can be the service provider that helps effectively manage your human capital.

### Tax and Compliance:

Pinnacle will eliminate the labor, energy, frustration and cost associated with compliance of many state and federal regulations. You'll no longer have to deal with the fear of the unknown, or spend hours reading all of the new rules and regulations in an attempt to comply with all the employee related laws that your state mandates.

### Workers Compensation:

Pinnacle successfully manages a large group master workers compensation policy. Our program requires no down payment or annual audit. Pinnacle can help your company's bottom line as well as stabilize your cash flow with our unique pay-as-you-go program.

### Payroll Services:

With 1-on-1 service, Pinnacle assigns each client a dedicated representative that gets to know the client's account. We ensure that your payroll needs are met on time, every time, helping you to streamline your payroll process, improve productivity and simplify administration. We manage the time-consuming tasks of payroll processing and employee payroll tax filing so you can focus on your core business.

### Time & Attendance:

Payroll errors cost businesses thousands of dollars every year. Time and Attendance Systems are a low cost and effective way to eliminate erroneous payroll and reduce the time it takes to process payroll. With flexible reporting options, job costing and knowing your true cost, we'll put you back in control.

### Employee Benefits:

Benefit programs help find and keep top talent, creating a culture where employees feel appreciated and nurtured. Pinnacle's affordable and rich benefits package levels the playing field among employers of every size.

### Benefits Administration:

Our team of benefit specialists completely handles everything from designing an affordable customizable Fortune 500 Benefit Programs to 100% benefits administration. That means we deal with invoices, deductions, annual enrollments and countless other benefit related tasks already on your to do list!

### Risk and Safety Management:

Pinnacle understands how important maintaining a safe workplace can be. Our risk managers work closely with industry specific safety programs and training which ultimately protect your business and reduce your costs. In most businesses, not if but, when an injury occurs, Pinnacle's risk management team is ready to respond quickly and tackle the workers compensation claim, investigate for fraud or handle the claim administration.
